# Guidelines & Packing List

**The Youth Service International Midwest Leadership Camp** is aimed at teaching young men to serve others. We provide challenging activities, stimulating classes, and an atmosphere of charity so that all campers are encouraged to practice the human and Christian virtues.

## Guidelines

Campers are expected to give their best effort, show respect for others and camp property, and follow counselor direction at all times. Campers must remain with their group and may not leave an area without permission.

Each day includes a short talk and mentoring time with a counselor focused on personal growth. Campers should leave with concrete resolutions for improving at school, at home, and with friends.

Swimming is permitted only during scheduled times and when counselors are present.

At night, bring a flashlight when leaving your cabin and inform someone where you are going. Notify a counselor if you need medical attention.

**Emergency Contact**
